Reference Letter

for EPRO Ewa Magdalena Lach

The Institute of Bioorganic Chemistry of the Polish Academy of Sciences in Poznań (61-704) with its registered office at 12/14 Noskowskiego Street, would like to confirm that the company EPRO Ewa Magdalena Lach, with its registered office at 23 Geodetów Street, (84-120) Władysławowo, currently executes the contract signed on 06.08.2020 for the total contract value of 170,000.00 PLN gross (say: one hundred and seventy thousand PLN gross), over its entire course.

Mrs. Ewa Magdalena Lach, operating a business, registered in CEIDG, as the owner of EPRO Ewa Magdalena Lach, confirms her professional attitude, work ethic and honesty with her actions and cooperation. She is reliable and trustworthy. It is worth noting and appreciating that when executing the contract, communication with EPRO employees ensures comfort of cooperation and distinguishes EPRO in a special way.

Communication skills and the ability to effectively execute the contract make the entire process of order processing, comfortable for the Orderer, at every stage and in every area. EPRO ensures the reliability, responsibility and high quality of the reagents it supplies, maintains excellent records and meets the agreed deadlines.

The entire cooperation and the standard presented by EPRO Ewa Magdalena Lach confirms that she is a proven partner over many years of cooperation.

Yours faithfully,

ZASTĘPCA DYREKTORA  
ds. Ogólno-Administracyjnych  
  
mgr Małgorzata Radwańska-Borucka
