SELVITA S.A.
ul. Bobrzyńskiego 14
30-348 Kraków

Reference letter

Selvita S.A. with its registered office at ul. Bobrzyńskiego 14 in Kraków (30-348) has been cooperating with EPRO Ewa Magdalena Lach with its registered office at ul. Geodetów 23 in Władysławowo (84-120) since the beginning of its existence, i.e. since 16.07.2020.

Between 16 July 2020 and 15 April 2021, EPRO Ewa Magdalena Lach supplied Selvita S.A. with laboratory consumables (including reagents and laboratory plastics) for a total gross amount of PLN 127,278.84 (one hundred and twenty-seven thousand, two hundred and seventy-eight 84/100 PLN).

Providing services in the area of drug discovery, regulatory research, as well as R&D for pharmaceutical, biotechnological, chemical and agrochemical companies from all over the world, **Selvita S.A. uses only proven biochemical reagents and laboratory plastics that guarantee the best results. Such results are provided by scientific research products from BioShop and Neptune, with EPRO Ewa Magdalena Lach being their exclusive distributor in Poland.**

However, not only the exclusive distribution of the aforementioned companies on the Polish market of Life Science, but also a constant cooperation with Selvita S.A. is ensured by EPRO. EPRO Ewa Magdalena Lach is, above all, a guarantee of timeliness, reliability and dependability both in terms of delivery, as well as contact with the people responsible for orders from Selvita S.A.

The combination of these features, together with exclusive distribution, has made

EPRO Ewa Magdalena Lach a synonym of comfort and joy for scientists associated with Selvita S.A., which allows them to achieve the best results and achieve the greatest success.

Selvita S.A. recommends EPRO Ewa Magdalena Lach as an honest, ethical, responsible and efficient partner, providing research products of only the highest quality.

Yours faithfully,

Selvita S.A.
