ul. Trzy Lipy 3

Gdańsk, 80 - 172

Reference Letter

for EPRO Ewa Magdalena Lach

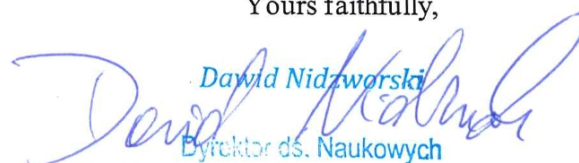

Institute of Biotechnology and Molecular Medicine in Gdańsk (80-172) with headquarters at ul. Trzy Lipy 3, is pleased to confirm that the EPRO Ewa Magdalena Lach, with headquarters at ul. Geodetów 23, (84-120 Władysławowo, has completed the contract signed on 03.03.2021 for the total gross value of PLN 107,109.79 (in writing: PLN one hundred seven thousand one hundred nine 79/100).

On the basis of the mentioned contract, **EPRO Ewa Magdalena Lach has provided the Institute of Biotechnology and Molecular Medicine with permanent access to scientific consumables (laboratory plastics, reagents for scientific research). The timely delivery of products allowed for efficient implementation of the project co-financed by the European Regional Development Fund.**

Cooperation with Ewa Magdalena Lach has been beneficial and provided us with the highest quality products. EPRO fulfilled the concluded contract in an exemplary manner, and the standard of service provided by the Supplier's employees deserves the highest praise.

I recommend EPRO Ewa Magdalena Lach company as a reliable, professional and committed partner in the supply of high quality consumable materials for scientific research.

Yours faithfully,

Dawid Nidzworski
Dyrektor ds. Naukowych
